

SELC's New Timetable

SELC is proud to announce its new innovative timetable for 2009.

We have designed this timetable to suit the needs of all of our language learners. There are three main features which we believe ensure quality, efficiency and flexibility.

1. Single Shift!

Unlike many other schools, which run two or even three shifts a day, SELC is still a single shift school.

This means students can study and use the school's facilities all day and enjoy the unique & personalised atmosphere that this timetable structure allows.

2. Optional Conversation Club !!

These optional conversation sessions will be offered to all full-time students twice per week. This afternoon club will give students the opportunity to extend and practise their English skills with different teachers and make friends with students from other classes.

3. Friday Activities !!!

SELC re-introduces the popular 'social & sporting' activities on Friday afternoons. Teachers will lead a variety of regular events to provide our students with the opportunity to experience Australian life and practice their English skills in a friendly and informal environment.
